

Entrepreneurial behavior and characteristics (CB-022) (ETTEVÕTLIKKUS)

SUBJECT DESCRIPTION

Credits (ECTS)	5.00 ECTS
Assessment	grading
Aim of the subject and short description	
<p>The course aims to give students peace and balance and thus enable them to reflexively relate to themselves and a given problem. Through a study of a number of enterprising personalities explored similarities to create the basic understanding of entrepreneurial behavior which each student will get to the core of both his/her own personality (strengths) and a given problem. The aim of the course is that students will be able to search and challenge problems, which thereby creates the basis for entrepreneurship growth.</p>	
Learning outcomes:	
<p>Student:</p> <ol style="list-style-type: none">1. knows competences required to be an entrepreneur, the specifics of running a business and potential source of stress and conflicts;2. knows differences between regular and virtual team and challenges in the context of natural culture;3. is able to solve the problems in switching from the use of standard teams to project work and the use of virtual teams.
